About

Hi, I'm Willem! I am an aspiring technical artist studying Creative Media & Game Technologies at the Hanze University of Groningen. Currently, I am spending half a year (until January 2025) in Osaka, Japan as an exchange student. I mainly focus on creating shaders and particles in unreal engine. I am eager to learn and tend to ask for feedback on my work a lot.

Education

2022
- 2026

- Hanze University of applied sciences
Creative Media & Game Technologies

I am currently enrolled in the creative media and game technologies programme. I am on track to graduate in 2026.

2024

- Kwansei Gakuin University
Contemporary Japan

As part of my Minor degree I am currently taking part in an exchange program with KGU in Osaka, Japan. I am on track to finishing this degree in January of 2025.

2022

- Maerlant-Lyceum Den Haag
VWO

Dutch middle school diploma at VWO level. I received this after choosing to continue my studies after receiving my HAVO diploma.

Experience

- **GLITCH Student Association**

Treasurer | 1 year

I was the treasurer on the board of student association GLITCH from October 2023 until October 2023.

Volunteer Experience

- **Stanley 55 - Den Haag**

Cub Scout Leader | 6 Years

As a cub scout leader I help organize and manage scouting activities for children on Saturdays, as well camps and events. I am still active to this day.

- **Wassenaarse Reddingbrigade**

Swimming Instructor | 3 years

From 2019 until 2022 I was active as a swimming instructor as the Wassenaarse Reddingbrigade.

- **Wassenaarse Reddingbrigade**

Lifeguard | 3 Years

From 2020 until 2023 I was active as a Lifeguard with the Wassenaarse Reddingbrigade at the beach post in Wassenaar.
